Here's what one Astoria citizen

Mrs. Helen Lewis, who lives at No.

"I consider Doan's Ointment the best remedy of the kind I ever used. Every winter in the past ten or 12 years I was troubled with breaking out around my mouth and lips. Sometimes the cracks at either corner of my lips were so sore that I could hardly speak. I could look for this annoyance as soon as cold weather commenced and it annoyed me until warm weather set in. Nothing I could do had any effect on it. I finally read about Doan's Ointment and got a bottle at Charles Rogers' drug store on Commercial street. A few applications of this wonderful remedy cured it up completely and I have not had any trouble since. It is now over three months since I used

TORTURING DISFIGURING

Skin, Scalp and Blood Humours

From Pimples to Scrofula, from Infancy to Age

Speedily Cured by Cuticura when All Else Fails.

The agonizing itching and burning of the skin, as in eczema; the frightful scaling, as in psoriasis; the loss of hair and crusting of the scalp, as in scalled head; the facial disfigurements, as in acne and ringworm; the awful suffering of infants and anxiety of worn-out parents, as in milk crust, tetter and salt-rheum - all demand a remedy of almost superhuman virtues to successfully cope with them. That Cuticura Soap, Ointment and Resolv-ent are such stands proven beyond all doubt. No statement is made regarding them that is not justified by the strongest evidence. The purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy, have made them the standard skin cures, blood purifiers and humour remedies of the civilized

world. Bathe the affected parts with hot water and Cuticura Soap, to cleanse the surface of crusts and scales and soften the thickened cuticle. Dry, without hard rubbing, and apply Cuti-cura Ointment freely, to allay itching, irritation and inflammation, and soothe and heal, and, lastly, take Cuticura Re-solvent, to cool and cleanse the blood. This complete local and constitutional treatment affords instant relief, permits rest and sleep in the severest forms of eczema and other itching, burning and scaly humours of the skin, scalp and blood, and points to a speedy, permanent and economical cure when all else falls.

PLEADS FOR THE SABBATH

Non Observance of Sunday as Day of Rest Deplored by Minister.

Argument Made That Lawlessness Is Largely Due to Fact That Sacred Day Is Disregarded.

New York, April 18.-Pleas for more general observance of the Sab bath as a day of rest for laboring men have been made at church services in Mendelsshon hall. The principal speaker, Dr. William R. Huntington of Grace church, declared that with the growing disregard for the Sabbath there is fostered great dager of lawlessness which spreads like wildfire.

"We are ceasing," he said, "to be the law-abiding citizens we formerly were. To the American people it is not a question of how one shall observe the day. The question is how we shall save the institution.
